These daring new fixtures from Modoluce, Kundalini, Danese and other manufacturers come in luminous colours and artistic forms.

2 Umbrella by **Modoluce**

Claiming inspiration from both Mary Poppins' accessory of choice and the Starship Enterprise, Umbrella balances the reassuringly familiar and the cutting-edge. An array of ultra-bright LEDs fills the copper-finished lower disc, pointing upward to a second disc in white-painted metal, which downcasts a soft glow. Adjusting the distance between the two controls the intensity and spread of the reflected light.
